Let Our Insurance Experts Work for You

Brokers will find conducting business with LUA efficient and expedient. All the complexities of commercial insurance are mastered by our in-house staff of licensed insurance experts. Not only can you count on our century-plus industry experience, you and your clients will appreciate customized risk management with easy access to professionals who care about your account needs. This translates to a more personal approach and quicker turnaround.

For Your Benefit

Binding Authority

Your local LUA representative has binding authority for accounts submitted, eliminating approval time and allowing for quicker turnaround of opportunities.

Specialized Endorsements

We offer specialized endorsements to meet the specific needs of your customers' classes of business. LUA is licensed in 48 states and Canada allowing for broad territory coverage options.

Loss Prevention

We provide on-site loss prevention services to assist clients' efforts in reducing property losses. LUA offers a complimentary online loss prevention catalog of posters, signs, decals, articles and more.

In-house Adjusting

Our highly trained adjusting staff knows how to get clients' businesses back up and running as quickly as possible after a major loss.

Leave the Billing and Payment Details to LUA

LUA provides up front commissions on annualized premium and all subsequent endorsements.

Gross or net quotes are available for larger accounts.

We offer direct billing and flexible payment plans.
